# MOUNT CARMEL EAST TRAUMA SYMPOSIUM 2025

**February 28, 2025**  
8 a.m. to 5 p.m.

Mount Carmel East Siegel Center  
5975 E Broad St.  
Columbus, OH 43213

Join us for a day dedicated to advancing trauma care and enhancing interdisciplinary teamwork within the trauma community.

## WHY ATTEND?

- **Learn from world-renown experts** on the latest in trauma care research and interventions on topics such as care of the geriatric trauma patient, treatment modalities for obstetrical hemorrhage, management of rib plating, and more.
- **Improve your facility's mass casualty readiness** by hearing from a panel of healthcare professionals involved in the care of a mass casualty that affected our community.
- A **"Trauma 360" case study** will be presented, offering a unique, in-depth look at the full continuum of trauma care, using the real-life experience of a trauma patient to guide participants through every stage of care from the moment of injury through rehabilitation and recovery.
- **Hands-on education** will be available for EMS personnel to refine skills used in the field.
- **CEs will be provided** for EMS and nursing professionals.
- **Breakfast and lunch** will be provided to all who register.

## WHO SHOULD ATTEND?

- We look forward to welcoming **EMS providers, nursing, and medical professionals** to this collaborative and educational event.
